[LinkedIn Profile](#)

[Dubai, UAE](#)

Results-driven culinary professional with over 20 years of progressive experience across luxury hotels and international resort brands in the UAE, Oman, and Egypt. Currently serving as an Executive Sous Chef. Seeking a senior culinary leadership position where I can leverage my expertise in pre-opening operations, multi-outlet kitchen management, menu engineering, and high-volume banquet execution. Proven ability to lead diverse, multicultural teams, enhance operational efficiency, and maintain the highest standards of food quality, hygiene, and guest satisfaction. Skilled in cost control, SOP development, training, and innovation across global cuisines including Arabic, Asian, Mediterranean, and international concepts. Passionate about delivering exceptional dining experiences while driving profitability, sustainability, and continuous improvement in fast-paced, luxury hospitality environments. Committed to contributing strong leadership, creativity, and operational excellence to a world-class organization.

PROFESSIONAL EXPERIENCE

Anantara World Islands Resort

Dubai, UAE

EXECUTIVE SOUS CHEF

Sep 2021 – Apr 2026

- Spearheaded pre-opening kitchen operations, establishing structured workflows and operational readiness across all culinary sections.
- Led cross-functional culinary teams to achieve seamless service delivery in high-volume and fine-dining environments.
- Supervised food preparation processes to accomplish exceptional quality, presentation, and consistency standards.
- Directed the development of comprehensive SOPs and standardized recipe frameworks to enhance operational efficiency.
- Coordinated daily kitchen activities, ensuring smooth integration between hot kitchen, cold kitchen, banquet, and specialty outlets.
- Mentored culinary staff, fostering professional growth, skill enhancement, and a performance-driven culture.
- Optimized food cost controls by managing portioning, inventory systems, and minimizing wastage effectively.
- Implemented strict hygiene, food safety, and sanitation protocols in compliance with international standards.
- Collaborated with senior management to design innovative menus and seasonal offerings that get recognized.
- Streamlined kitchen operations through continuous process improvements, driving productivity and excellence.

Anantara The Palm Resort

Dubai, UAE

CHEF DE CUISINE

Jan 2021 – Aug 2021

- Spearheaded multi-outlet kitchen operations across five dining venues, ensuring seamless coordination and service excellence.
- Led culinary teams to achieve consistent quality standards in food preparation, presentation, and guest satisfaction.
- Supervised chefs and kitchen staff, optimizing workflow, productivity, and back-of-house efficiency.
- Orchestrated menu planning and development, delivering diverse Arabic, Asian, Mediterranean, and international cuisine offerings.
- Ensured strict compliance with HACCP and Dubai Municipality regulations, maintaining high hygiene and food safety standards.
- Coordinated large-scale banquets and VIP events, successfully accomplishing high-profile service delivery.
- Implemented structured training programs, enhancing team capability, engagement, and operational readiness.
- Monitored kitchen performance metrics, resource utilization, and waste control to gain operational improvements.

Achievements:

- ✓ Achieved significant food cost reduction through effective portion control, waste minimization, and strategic vendor coordination.
- ✓ Accomplished improved team productivity during high-volume periods by optimizing staff scheduling and implementing targeted training initiatives.

Anantara Al Baleed Resort

Salalah, Oman

CHEF DE CUISINE

Mar 2018 – Dec 2020

- Spearheaded daily culinary operations across six diverse F&B outlets, ensuring seamless coordination between fine dining and casual dining services.
- Led and motivated a brigade of chefs to achieve consistent excellence in food quality, presentation, and guest satisfaction.
- Supervised all kitchen production activities, ensuring efficient workflow, timely service, and adherence to brand standards.

- Directed menu engineering and development across multiple cuisines, aligning offerings with guest preferences and resort positioning.
- Maintained strict compliance with HACCP and Oman Municipality regulations, ensuring full food safety and hygiene control.
- Managed VIP dining experiences and large-scale banquet functions in collaboration with F&B and Events teams, ensuring flawless execution.

Achievements:

- ✓ *Achieved strong guest recognition, contributing to the restaurant being listed among TripAdvisor's top-rated dining venues in Oman (2018).*
- ✓ *Accomplished the development of innovative seasonal menus that enhanced guest experience while maintaining cost efficiency and profitability.*

Anantara Palm Resort
Dubai, UAE
SOUS CHEF
